Need to gain more exposure?

Pop-up or casual mall leasing presents an excellent opportunity to promote your product or service.

“Pimpama City Shopping Centre has a number of pop-up sites ranging in size from 3m x 3m up to 4m x 4m available for lease on a daily or weekly basis.”

Peak seasons such as Easter, Christmas and school holidays tend to book out well in advance, so make sure you book early to secure a site.
